Experience

- 2016-09 - present** **Institute of Political Studies Polish Academy of Sciences, Warsaw**
Assistant in the Department of History of Eastern Territories
My duties include, among others, participation in the ongoing work (eg. through the preparation of research tools, translating, reporting to progress) and participation in the working meetings of the Department. Since in the end of 2016, department making for National Centre for Culture Poland (NCC) survey in which is included creation of research methodology collective memory of Ukrainians with special emphasis on Polish-Ukrainian relations. My responsibilities include co-creation tools, translation into Ukrainian and co-prepare report.
- 2016-10 - present** **The Foundation "Aid to Poles in the East", Warsaw**
Expert
Assistance in foundation tasks, especially consulting and co-created of programs aimed at Poles from Ukraine.
- 2016-02 - 2016-09** **European Union Agency for Fundamental Rights (FRA)**
Researcher
The study entitled .: "Biometric data used in large-scale IT systems in the area of European Union borders, visas and asylum - implications for the fundamental rights", was implemented in several countries and on several continents. It applied to cross the borders of the European Union from the point of view of biometric data collected in large-scale systems of the EU and their impact on fundamental rights. The aim of the study was to examine how various types of database contribute to the difficulties in the enforcement of these rights by people traveling to the European Union.

I participated in the work of Polish and Ukrainian teams. I did in-depth interviews with different groups of beneficiaries: the experts (in this case, lawyers), the so-called rights holders - the persons whose fundamental rights have been violated somehow. I also was a member of the team which worked outside of Warsaw: making the observation of border crossings in Terespol and Medyka, where also I was making in-depth interview with the rights holders, including people living in refugee centers. In the Ukrainian part of the project, survey covered selected consular points and visa centers. Besides to research and notes from trips, I was responsible for the translation of part of the tool into Ukrainian.
- 2016-04 - 2016-06** **The Institute of Labour and Social Affairs (IPISS), Warsaw**
Researcher
Research Social Welfare Centers in Poland. As part of my duties was to conduct research in selected towns of Upper Silesia (both with staff and clients of this institution), as well as doing desk research and the preparation of the report - a case study for Kuźnia Raciborska and Bielsko-Biała. Also I was made a description of the research and data analysis.
- 2016-03 - 2016-03** **Institute of Rural and Agricultural Sciences, Warsaw**
